

EVERYTHING CHANGES WHEN THERE'S HOPE.

Goharik Gevorgyan lives in rural Armenia. She attends school regularly now, because her mother can afford her school fees, once a constant worry. Thanks to a small-business loan from AREGAK, an UMCOR micro-credit program for women, Mrs. Gevorgyan operates a fish-smoking business that provides a decent living for her family.

Through UMCOR's programs in 81 countries Goharik and children like her now live with hope.

Support this work of compassion and hope. Give to One Great Hour of Sharing—the offering that pays UMCOR's cost of doing business. Your generosity allows UMCOR to keep our promise to send 100 percent of designated gifts to the intended program.

**Please give. One Great Hour of Sharing and UMCOR.
BE THERE. BE HOPE.**
