Assembling Directions

Wrap sewing notions in fabric. Place kit in the plastic bag and seal.

Important Notes

- All items must be new.
- Do not wash the fabric as it will then be considered used.
- All emergency kits are carefully planned to make them usable in the greatest number of situations. Since strict rules often govern product entry into international countries, it is important that kits contain only the requested items – nothing more.
- DO NOT include any personal notes, money or additional material in the kits. These things must be painstakingly removed and will delay the shipment.

Packing Kits

- **Box Weight.** Each packed box cannot exceed 66 pounds.

Shipping Kits

1. Complete 2 packing lists-one for your records and one to put on the shipping box.
2. Paste the shipping label / packing list on the outside of each box you send. The shipping list helps the depot to quickly process kits.
3. **Processing & Shipping Costs:** Please enclose an envelope containing at least \$1 for each kit you send. This donation enables kits to be sent to areas in need. For Cleaning Buckets: \$1.50.
