

World AIDS Day

December 1, 2007

Stop AIDS. Keep the Promise.

It just takes one...

It just takes one...

by one,

by one,

by one,

by one.

United Methodists are stepping up, one by one, to provide a tangible response to the HIV/AIDS crisis through the United Methodist Global AIDS Fund.

You Can Help.

It just takes one dollar to help a person living with HIV/AIDS. Our \$8 million goal represents a one-dollar commitment on the part of every United Methodist in the United States. That \$8 million will support education, prevention, and care and treatment programs for people living with HIV/AIDS.

Five people die of AIDS every minute—you can be the one who makes the difference.

**Stop AIDS.
Keep the Promise.**
